

The City of Rosenberg, Office of the City Engineer, in accordance with National Flood Insurance Program regulation 65.7(b) (1), hereby gives notice of the City of Rosenberg's intent to revise the flood hazard information, generally located between Airport Avenue and Louise Street. Specifically, the flood hazard information shall be revised along Dry Creek from a point immediately upstream of the Airport Avenue Crossing to a point just downstream of Louise Street Crossing.

As a result of the revision, the floodway shall widen and narrow, the 1% annual chance water-surface elevations shall decrease and increase, and the 1% annual chance floodplain shall widen and narrow within the area of revision.

Maps and detailed analysis of the revision can be reviewed at the offices of Jones|Carter at 6415 Reading Road, Rosenberg, Texas 77471. Interested persons may call Craig Kalkomey at (281) 342-2033 for additional information from April 7 to April 21.
