I, the undersigned, have received and read the Texas Administrative Code, Title 30, Part 1, Chapter 344, Subchapter F, and understand that it is my responsibility for full compliance of the State's Irrigation regulations. I am also required to prepare an irrigation plan for each site where a new irrigation system will be installed. A paper or electronic copy of the irrigation plan must be on the job site at all times during installation of the irrigation system. Failure to provide the irrigation plan on the job site will result in a failed inspection and I will be charged for a re-inspection fee.
