Transferring Service – Residential

- If the total deposit on the existing account is less than \$150.00, the difference must be paid to increase the amount to \$150.00.
- If the total deposit on the existing account is \$150.00 or more, the total amount of deposit will transfer.
- The entire balance on the existing account, any additional amount for deposit, and a \$20.00 service charge must be paid at the time of application is made for transfer.

Transferring Service – Commercial

- If the total deposit on the existing account is less than \$160.00, the difference must be paid to increase the deposit amount to \$160.00 or an estimated 2 month bill, whichever is greater.
- The entire balance on the existing account, any additional amount for deposit, and a \$20.00 service charge must be paid at the time of application is made for transfer.
