

Rosenberg texas

Main Street Program

Meeting Notice

The Rosenberg Main Street Program has scheduled several committee meetings in order to begin work on a comprehensive effort to improve and enhance downtown Rosenberg. Your involvement in this effort is critical, because the Main Street approach to downtown improvement is not a centralized 'top-down' approach. It is instead a grass roots approach in which every downtown merchant, property owner, and other downtown stake-holder has a direct role to play in identifying goals and establishing programs, projects and activities that will help achieve those goals.

That is why we need you to participate in Main Street.

That is also why we ask that you please try to participate in at least one of the following committees on a regular basis:

Design Committee

Tuesday, March 10th at 8:30 AM in the small conference room at the Rosenberg Civic Center

Organization Committee

Thursday, March 12th at 8:30 AM in the small conference room at the Rosenberg Civic Center

Promotion Committee

Friday, March 13th at 8:30 AM in the small conference room at the Rosenberg Civic Center

Economic Restructuring Committee

Wednesday, March 18th at 8:30 AM in the small conference room at the Rosenberg Civic Center
