City Welcomes GFL As New Solid Waste Provider Starting In October

Enhanced Residential Services to Include Twice Weekly Pick-Up

Beginning on October 1, 2022, the City of Rosenberg's solid waste and recycling collection services provider will be changing to GFL Environmental. The City wants to ensure a seamless transition, leading up to and after the new provider takes over. Below you will find some important information regarding what to expect in the upcoming months as well as the changes in service beginning on October 3rd.

What to Expect

SERVICE DAYS: Your solid waste pick-up will now occur twice per week. Service days will either be Monday and Thursday or Tuesday and Friday. Recycling services will remain on Wednesdays. Green and Bulky Waste collection will be on your first service day of each week, either Monday or Tuesday.

New poly carts will be delivered to residents in the month of September. Each residence will receive one(1) poly cart for normal garbage and one(1) poly cart for recycle. Additional poly carts will be provided for residents currently paying for additional carts. Attached to the poly carts you will find information about the new program including your service days based on your section of the City for garbage, recycling, yard/green waste, and bulky waste as well as recycling program information.

IMPORTANT: Please continue to use your current Republic Services poly carts for garbage and recycling until September 28th. On September 29th, you will use your new GFL poly carts for garbage and recycling on your scheduled service days effective October 3rd.

For questions or concerns about your cart delivery please contact GFL Environmental at 832-271-5187 or email CityofRosenberg@gflenv.com. You can visit rosenbergtx.gov/trash for updates during and after the service transition, collection day information, and guidelines for solid waste, recycling, yard waste, and bulky collection services.

City Hires Two New Directors

The City recently hired two new directors to fill the vacancies at the Animal Shelter and the Parks Department. At left, Omar Polio, pictured with Benji, is the new Animal Control and Shelter Director. On the right, Cary Lamensky returns to Rosenberg as the City's new Director of Parks and Recreation. Both have hit the ground running and have great things planned for #Rtown! If you see them out in the City, give them a warm welcome to Rosenberg!

Seabourne Creek Nature Park \$75,000 GRANT FINALIST!

Great news! The City is EXCITED to announce that Seabourne Creek Nature Park has been named a top 10 finalist in the Perk Your Park Grant Contest by the National Recreation and Parks Association and Niagara Bottling Company. If selected, the City plans to add \$75,000 in upgrades to Seabourne Creek Nature Park including an arboretum, additional walking paths, picnic tables and more!

Here's where we need your help! The project with the most votes at the end of the six weeks will win.

Voting is open Aug. 1 - Sept. 12!
