New Art in #Rtown!

The City recently commissioned two new artworks in Historic Downtown Rosenberg. These pieces are located next to Water Tower Square at 2100 Ave G on the City's Water Tower building. This project is part of an ongoing effort to continually enhance beautification efforts in the downtown district and promote Tourism, Arts and Culture.

WE'RE CELEBRATING THE CREATIVITY THAT COLORS OUR CITY! THE CITY OF ROSENBERG IS CURRENTLY CATALOGING ALL PUBLIC ART WITHIN THE CITY LIMITS, AND WE NEED YOUR HELP. IF YOU HAVE A FAVORITE MURAL OR KNOW OF A HIDDEN GEM, LET US KNOW! SUBMIT THE LOCATION OF YOUR FAVORITE PUBLIC ART PIECES ON OUR WEBSITE AND HELP US SHOWCASE THE VIBRANT ART THAT MAKES ROSENBERG UNIQUE.

Dog Days of Summer: Cool Down with a New Best Friend!

Beat the heat this August by bringing home the coolest companion around - a shelter pup! 🐾☀️ While the temps rise, so will your happiness when you find your new best friend. Whether you're headed to the beach, lounging in the shade, or soaking up the last days of summer, these good doggies are ready to make every moment pawsitively unforgettable. Swing by the Rosenberg Animal Shelter and let the tail-wagging magic begin!

HEIDI

This sweet mama gave birth to ten pups while in our care, and now that all her babies have been adopted, it's her turn to find a furever home! Heidi is a 2.5-year-old Plott Hound mix who is spayed, microchipped, and fully vaccinated. She is heartworm positive, but we partner with a great organization that can help cover her treatment. Heidi is gentle and loving, though she may need a little time to warm up to new people and dogs. Once she does, she's all cuddles and affection. Come meet this lovable girl today!

WALLY

This sweet momma arrived with one pup—now out on a Trial Adoption—and she's ready to find her own furever home. Wally is a 2-year-old Shepherd mix who is spayed, microchipped, and fully vaccinated. She is heartworm positive, but we work with a wonderful organization that can help cover her treatment. When she came to us, Wally was in rough shape, but with lots of TLC, she's much healthier now. She gets along well with other dogs and prefers a calm, peaceful environment over high-energy play. Come meet this gentle mama today!

SHAWNDA

Shawnda is the perfect playmate and an absolute sweetheart! She's a 3-year-old Labrador mix who is spayed, microchipped, fully vaccinated, and heartworm negative. Weighing in at 48 pounds, she plays wonderfully with dogs of all sizes. Whether you're looking for a buddy for your current pets or a lovable companion to be your one and only, Shawnda will fit right in. She's ready to bring joy and fun to her furever home—come meet her today!

Lawn Care Reminder: Only Rain Down the Storm Drain!

Per city ordinance, all residents are required to keep their grass mowed to maintain a clean and safe community. It's important to remember that only rain should go down the storm drain! Please do not blow or dump grass clippings, leaves or other debris into the street or storm sewer. While these clippings are natural, they still pollute our waterways. As yard waste decomposes, it requires oxygen; oxygen that fish and other aquatic life need to survive. Grass clippings left on the lawn return valuable nutrients to the soil. It's a win for your yard and the environment! Putting those materials in storm drains can clog the system, cause flooding and harm our local waterways. Let's work together to keep #Rtown looking great and functioning properly! Grass clippings, leaves and any other kind of vegetated debris are NOT allowed in the streets or storm sewers!

Emergency Services Complex Groundbreaking

On July 29, 2025, the City of Rosenberg officially broke ground on its much-anticipated Emergency Services Complex. The project was Proposition A of the 2023 Bond Election and is estimated to cost \$18.5 million. Located at the intersection of Highway 36 and Fairgrounds Road, this development marks a major upgrade in community safety infrastructure. The complex will house Fire Station No. 4, a modern Emergency Operations Center and new Fire Department administration offices. Once operational, it will replace leased facilities currently used under agreements and will substantially improve emergency response times, capacity, and service coordination for Rosenberg's growing south and west regions. Read more about the project at RosenbergTX.Gov/RBond.

- Follow these safety tips to get to and from school safely!*
- WALKING TO/FROM SCHOOL:**
 - Walk on the sidewalk whenever possible. When on a street with no sidewalk, walk facing traffic.
 - Before crossing the street, stop and look left, right and left again to see if cars are coming.
 - RIDING A BIKE TO/FROM SCHOOL:**
 - Ride on the right side of the road in the same direction as traffic, and in single file.
 - Come to a complete stop before crossing the street, and walk bikes across the street.
 - Stay alert and avoid distracted riding.
 - Always wear a properly fitted helmet and bright-colored clothing.
 - Helmets appropriate for bicycling should be worn by everyone – adults and children – on every bike ride regardless of the length of the ride.
 - RIDING THE BUS TO/FROM SCHOOL:**
 - Go to the bus stop with your child to teach them the proper way to get on and off the bus.
 - Teach your children to stand 6 feet (or three giant steps) away from the curb.
