Fire Chief of Rosenberg
1012 5th Street
Rosenberg, Texas 77471

Place Code: Fort Bend: 15740

Dear Mr. Goates:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification is a Class 3.

Insurance Services Office is recommending the classification be changed to a Class 2, with an effective date of 06/01/2015. The recommendation is based on a review of your community performed on 10/01/2014 and does include application of the Texas Addendum.

With a single class rating of **2** all class-rated properties will use **Class 2**.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. The Insurance Services Office will be notified of our approval of their recommendation and the 06/01/2015 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 676-6784.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

Jesse James Williams
