Recyclable items collected include newsprint, magazines, plastic bottles, (PE and HDPE), glass containers, aluminum cans, metal (tin) cans, and cardboard broken down and flattened for collection. All acceptable recyclables can be combined in the cart without bagging or separating the items. Residents are encouraged to take hazardous waste, tires, TV's, and recyclable electronics to the Fort Bend County Recycling Center located in Rosenberg at 1200 Blume Rd.
3. The collection of "**green waste**" occurs each **Monday**. Green waste is yard waste that includes grass clippings, leaves, tree trimmings, branches, and other items derived from plants, bagged, or containerized, weighing less than fifty (50) pounds. Tree and brush limbs shall be no larger than three (3) inches in diameter and cut into four (4) foot lengths. Grass clippings and leaves may be placed at the curb in the resident's personal container or in bags; branches and limbs meeting the size limitations may be bundled or placed in small piles at the curb, preferably tied. The green waste will be diverted from the landfill with the intent to recycle; contaminated green waste will not be considered for recycling.
4. **Heavy items** are collected each **Tuesday**. Bulky items include stoves, hot water tanks, washing machines, other household appliances, furniture, and other waste materials **excluding** refrigerators, construction debris, hazardous waste, or stable matter.
