***UNDERSTANDING YOUR MOBILE HOME ELECTRICAL RECONNECT PERMIT***

A mobile home reconnect permit is required each time there is a name change on the service statement, disconnection of service, or change in electrical providers.

Residential mobile homes require an annual safety inspection. In most cases, this inspection will be performed on the next business day. Upon completion of the approved inspection, the City of Rosenberg will email a meter release to CenterPoint Energy. Your provider of choice will need to contact CenterPoint for that release.

If your inspection is not approved, the appropriate corrections will need to be made by a licensed electrician. A re-inspection will need to be scheduled.

***THE CITY OF ROSENBERG NEITHER TURNS ON YOUR POWER,  
NOR DO WE SCHEDULE YOUR POWER TO BE TURNED ON.
