AMENDMENT OF IMPACT FEES**

A public hearing of the City of Rosenberg, Texas will be held on September 18, 2018 at 7:00 p.m. at the City Council Chambers, 2110 4th Street, Rosenberg, TX 77471, to consider amendments establishing a fee exemption for single-family residences that desire to convert from private water well systems and/or septic systems to the City's water and/or sanitary sewer utilities. The proposed impact fee exemption would apply to single-family homes in existence prior to January 1, 2008, and would lessen the financial burden on individual citizens desiring to connect to City utilities.

Any member of the public has the right to appear at the hearing and present evidence for or against the proposed impact fee exemption for single-family residences converting from private water well systems and/or septic systems to the City's water and/or sanitary sewer utilities.
